The estate today is run by cousins Pascal and François Cotat. Grapes are hand harvested and are fermented in barrel using wild yeasts. The wines are bottled unfined and unfiltered.

	Didier Dagueneau	
	Established in 1982 in the commune of Saint-Andelain, Pouilly-Fumé, Didier Dagueneau is one of the most sought after and highly regarded Domaines in the Central Loire. Dagueneau's approach to Pouilly-Fumé winemaking revitalised the region with low yields and single vintage and single vineyard bottlings. The producer also employed the use of oak and lees contact, and the wines are known for their flinty notes and long aging ability. The wines have been biodynamic since 1993, and today the estate is run by Louis-Benjamin Dagueneau.

Moulin Touchais

Domaine Touchais was established in 1787 within Doué-la-Fontaine, in the Anjou wine district of the Loire Valley. Touchais is known for producing classic, botrytis-style, sweet white, Coteaux du Layon wines, which are made from 100% Chenin Blanc. The wines are bottled in the Spring following harvest, but the domaine holds back the wines to age in the estate cellars for over a decade.
