Didier Dagueneau

Established in 1982 in the commune of Saint-Andelain, Pouilly-Fumé, Didier Dagueneau is one of the most sought after and highly regarded Domains in the Central Loire. Dagueneau's approach to Pouilly-Fumé winemaking revitalised the region with low yields and single vintage and single vineyard bottlings. The producer also employed the use of oak and lees contact, and the wines are known for their flinty notes and long aging ability. The wines have been biodynamic since 1993, and today the estate is run by Louis-Benjamin Dagueneau.
